25X1 6. [ ] JSW) Talked with William Darden with a request that he inform the Chairman, Senator Russell, concerning the status of some delicate negotiations now in progress which give evidence of being fruitful.

25X1 7. [ ] JSW) Talked with Bob Smart with a request that he inform the Chairman, Representative Vinson, concerning the status of some delicate negotiations now in progress which give evidence of being fruitful.

25X1 8. [ ] - JSW) Talked briefly with Mr. Smart concerning the proposed monthly meeting with the CIA Subcommittee of House Armed Services to occur on or about 22 February. It was agreed that we would get together later next week to consider a possible agenda.

25X1 9. [ ] - JSW) Met with Mr. William Darden and went over the transcript of Secretary McNamara's appearance before Senate Armed Services of 19 January particularly with respect to pages 142 through 147 which Defense had advised the Committee CIA would review for security. Upon reviewing the pages it was determined that Senator Symington himself had deleted all of the specific figures which we had felt to be classified. However, I also indicated material which we felt was classified and this satisfies the Committee's needs for clearing the transcript for publication.

10. [REDACTED] - JSW) Talked further with Herbert Roback of the staff of House Military Operations Subcommittee of Government Operations Committee indicating that the Director was willing to afford a background briefing on Soviet military posture. It was agreed, however, that this would be kept quiet and CIA witnesses would not be established in the Congressional Record as appearing before a hearing of the Subcommittee. Furthermore, no transcript will be taken. Roback explained that they were going to start a series of hearings on civil defense and the Chairman had felt it desirable to begin against a backdrop of Soviet capabilities. He indicated the Chairman thought possibly we could utilize some U-2 pictures. I told him this was not possible at this point. A tentative date was established for ten o'clock on Friday, the 9th of February, in the Committee room, 1501 New House Office Building. Staff members who will probably attend will include Roback, Douglas <sup>DUBLIN</sup> [REDACTED], and Paul Ridgely. Mr. Amory has been alerted to this and final arrangements will be made with respect to the Agency representative
